

Democratic and Silver Party Nominees and Platform

Following are the nominees and the platform adopted by the Democratic and Silver parties in convention Sept. 25. The nominees are the best men in the county for their respective places they seek and the platform reiterates the fact that only in the democratic party can officers be found that will serve honestly and justly when elected.

It is recommended to the serious consideration of the voters of Ormsby the belief that they will repudiate previous arguments of the opposition to induce them to forsake their best interests and vote for other than the nominees mentioned hereunder.

THE PLATFORM

The following platform was adopted by both conventions and it tells the story in concise language. After the usual preamble, reporting the action of the committee the platform follows:

1. That this convention endorse that peerless statesman and Champion of the Common People, William Jennings Bryan, as the presidential nominee of the National Democratic convention in 1908.

2. That we endorse the conservative and economical administration of the present Board of Carson County Commissioners who carried the wasteful extravagance of the previous republican administration by securing a balance of funds on a business basis during the past two years. We pledge the good faith of our party to a republican administration which will be for the best and most economical and most successful of the people of Carson County.

3. That we congratulate the people of the country for the continued appreciation in the price of silver, holding that this last shatters the contention of those traitors to the state who held that the white metal would soon become so plentiful as to render it valueless as money.

That the advance in price has enabled the miners of Nevada to reclaim many properties which were closed during the time when the republicans hammered down the price of the chief product of the state and closed the United States Mint in this city as a sacrifice to party fealty at the expense of state progress and we ask them, in view of the present flourishing condition of the state, if they would not be willing to share in the prosperity which would come to the Commonwealth of Nevada if silver were again restored to its rightful place as a money metal.

4. That we held all property, whether owned by the rich or poor is alike before the law for the purposes of taxation and should be treated accordingly.

5. That we heartily endorse the able state administration of the session party during the past four years and pledge ourselves to support the regular nominees of the Fusion Convention held in Reno, August 29th, and also the regular nominees of this convention, as unity and harmony can alone point the way to victory in November.

6. That we heartily endorse the able state administration of the session party during the past four years and pledge ourselves to support the regular nominees of the Fusion Convention held in Reno, August 29th, and also the regular nominees of this convention, as unity and harmony can alone point the way to victory in November.

The State Board of Capitol Commissioners will receive bids up to 12 o'clock noon, September 28 1906, for delivery to the State, 100 cords of yellow pine wood, on or before the 20th day of October, 1906; 75 cords split and 25 cords limb. The same to be corded and piled in the basement of the capitol building.

Address bids, marked on wood, sealed to W. R. Davis, Clerk of Board of Capitol Commissioners, Carson City, Nevada.

The Board reserves the right to reject any and all bids.
